# Features and benefits

**See it**

## Simplicity

### Take the hassle out of routine tasks

- > Find what you need fast with ConveyanceLink's intuitive interface and smart search technology
- > Add new cases in seconds with postcode and DX search facilities to help things along
- > Stay flexible with ConveyanceLink's unique pay as you convey™ payment model
- > Tailor ConveyanceLink to your specifications with customisable workflows and job types

## Time management

### Take control of your time and money

- > Keep everyone updated automatically as you work through your customised workflows
- > Keep track of all of your cases and manage risk with our intelligent To-Do list that updates itself
- > Maintain one shared diary for the whole firm to keep track of all of your important activities
- > Access important management information with ConveyanceLink's time/cost recorder

## Communication

### Communicate with all parties effortlessly

- > Create letters and documents in seconds with client and matter details automatically entered
- > Track every letter, form, email and SMS sent using the comprehensive History screen
- > Create quotes, bills and statements in a flash and let ConveyanceLink do the legwork for you
- > Keep your clients and agents informed with 24/7 online tracking and auto SMS/email updates

## True e-conveyancing

### Embrace the future of conveyancing

- > File SDLT returns fast with our e-submission facility that validates your forms as you type
- > Request searches quickly via our integrated links to personal and official search providers
- > Verify your clients' identities in seconds using ConveyanceLink and IDYourClient.com
- > Order EPCs and title insurance through our linked online services

# 10 good reasons to choose ConveyanceLink

**Believe it**

- 1 One low entry cost**  
One flat installation, education and customisation fee regardless of the number of users at your firm
- 2 Free ongoing usage**  
Our pay as you convey™ payment model enables you to pass the per-file fee on as a disbursement
- 3 Free support**  
Telephone, online and onsite support is provided at no cost so we're always there when you need us
- 4 Free upgrades**  
Upgrades are provided free of charge future-proofing you against legislative and market-led changes
- 5 Unbeatable service**  
Your dedicated Business Consultant will be with you every step of the way with ongoing free revisits
- 6 Quick to install and easy to use**  
Full installation takes 2 days and the intuitive user interface means staff are trained in under 2 hours
- 7 Fully customisable**  
Tailor the system to suit the way your firm works and import all of your own letters and precedents
- 8 Improves customer service**  
Online tracking and automated SMS and email updates keep your clients and agents well informed
- 9 Improves efficiency**  
Process automation frees up your staff from repetitive, time consuming, and unproductive tasks
- 10 Risk management is built in**  
Powerful time and process management tools help reduce potentially costly administrative errors
